**Parking Rules**

Please be advised, beginning, February 1, 2019, all residents of HPT will be required to have an **HPT Parking** hangtag, fully displayed, in their vehicles, whether in the garage or in outside designated parking spaces. The hangtag will identify residents as opposed to outside guests/visitors.

There will be no exceptions to this rule, if a hangtag is not displayed (*hanging from your rearview mirror*) the vehicle may be towed at the vehicle owners' expense.

Residents can pick up their parking pass at the HPT Management Office. The office is open Monday thru Friday 9am to 5pm.

Please bring a copy of the following:

- License
- Registration (for each vehicle)
- Insurance information

**NEW PROCEDURES FOR VISITORS TO HPT:**

Visitors will now be required to check in with the doorman for a visitor pass, and vehicles without a visitor pass, may be towed at the vehicle owners' expense.

***Please inform your guest to obtain parking pass from the front desk prior to parking***

**SAFETY REMINDER:**

Parking in, or along the fire lane is dangerous to our community. What may seem as a quick stop for you may be precious seconds to save a life in an emergency. Vehicles will be ticketed and towed should they park in the fire lane; this rule will be strictly enforced.
